ANNOUNCING THE GRAND OPENING OF OUR NEW SHOWROOM & FACTORY!

**'Design a Rug' Offers Interior Designers and Homeowners
One-of-a-kind, Custom-made Rugs.**

Imagine having a rug designed to match your personality, mood, or artistic flair? That's exactly what makes Design A Rug so unique...and successful!

Their new showroom and factory located in Deerfield Beach will take Design A Rug to a new level of service for homeowners and designers! The advantage of their service is that homeowners can enhance any space in the home with their very own, one of a kind area rug. The design process can be conducted over the phone, through e-mail, or in person. Regardless, you will always have access to Design A Rug's fully qualified Design team, which will provide a full design service and help you every step of the way. Their design team listens to which colors and designs that you have in mind and suggests

the best match for your design scheme. Furniture and room dimensions and layouts are also taken into consideration for the best outcome. After the Design Consultation phase, their Design team will take your style, colors, size, layout, and budget into account and create one or several sample designs that are drawn to scale and color rendered. Sample color swatches and the scaled colored renderings will be sent to your home along with the confirmation of your order. This way, you can see exactly what the finished product would look like. Once you review your design, you will have the opportunity to make as many design, size, and color combination changes as necessary until you are completely satisfied with the design of your area rug. After your order is confirmed, your area rug will be shipped within three to four weeks of purchase. Design A Rug products are 100% guaranteed for quality and workmanship and are available from traditional to contemporary styles. What a great idea! Designers and homeowners, please call 954.949.3025 or any of the alternate numbers shown in our advertisement below.
